

# ALUCA Innov18 *life changing*

## **Are you ready? Oct 11th - 13th, HOBART**

Are you ready to join over 350 delegates registered to attend ALUCA's premier Life Underwriting and Claims Conference? Yes? [Register now](#) as places are filling fast.

## **Do You Want To Be Challenged, Expand Your Knowledge & Networks?**

The program content is designed to stretch your thinking and capabilities. Innov18 will explore key questions such as: are we keeping pace as an industry? How can we improve our services to customers? What's new? How do we highlight the positive work that we contribute as an industry to the communities we serve? There will be so much to learn and many takeouts for delegates to share with their teams and apply from the conference.

## **Seven Plenary sessions including:**

- Tim Longhurst – “Finding Better Ways”
- Sue Langley – “Resilience”
- A CEO panel from TAL, SCOR, Swiss Re, MLCOA and Pacific Life Re discussing the industry's future.

## **Choose from 36 Breakout Sessions from Industry experts:**

- Sally Phillips
- Tony Baker
- Debbie Kennedy
- Matt Paul and many more

Learn about the latest developments in Behavioural Economics and big data, technology, wearables, social media & AI, pathology and genomics. Hear APRA's industry view and a special update on the Code of Practise from the FSC. Hear customer perspectives and expectations as well as useful tips on influencing and collaboration. Experience a mock trial and the changing landscapes in law, risk assessment as well as the direct market and operating models.

## **Don't Miss out, Register now!**

As ALUCA's flagship biennial life insurance conference this is an industry event not to miss out on. Catch up with industry colleagues, make new connections, learn from key thought leaders and explore the exhibition space with over 15 exhibitors. October is not far away, so [register now](#) and remember to book your flights and accommodation as soon as possible.

ALUCA's conference committee invite you to explore the full program by clicking on [this link](#) to see the impressive line-up of more than 40 innovation sessions. [alucaconference.com.au](http://alucaconference.com.au)
